Your thoughts will aid us in the German student-to-family matching process and it would be greatly appreciated if you could answer the following question:

In your opinion, how well suited is the prospective student and family to hosting an exchange student? If so desired, please describe both strengths and weaknesses of suitability. The prospective host family will have access to this form - attach further sheets as required.

Should you have any questions, please send your enquiry to

takosjodysagse@gmail.com

This completed form will be lodged with the Host Family Applicant's online application.

I confirm that our School is aware that a family in the school community has applied to host a German student from mid June 2023 to late August 2023 and that our School supports this application. Please note that the German student will not be required to pay school fees.
